

Helping people live well
beyond diagnosis

Free emotional, practical & social support for people living in Surrey with a terminal diagnosis

We support those diagnosed with cancer, end-stage organ failure, and certain neurological conditions such as MND and MS.

A weekly visit by a trained volunteer with access to our other free services, such as complimentary therapies, hairdressing, Pets As Therapy dog visits, and end-of-life planning.

For more information, please contact us at sarah.pattenden@brigitte-trust.com or call 07469 932192.
