

Introducing Our New AI Receptionist

Merrow Park Surgery

Why the change?

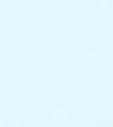

We're improving the way we provide care – faster, fairer and easier.

What does it do?

-  Answers your call straight away
-  Confirms your identity
-  Completes triage request forms
-  Sends the information securely to practice

Safe, Secure & NHS Approved

-  Meets strict NHS clinical safety standards
-  Registered Class 1 Medical Device
-  Your information stays secure and only helps us provide your care

Still want to speak to a person?

No problem. Our team is still here, and the AI will transfer you at any time – just ask.
