Comments: Was seen prompt. Only came for a pill consultation however was offered additional services.

Comments: Physician Associate B Nawaz performed a thorough exam on my wiggly toddler, making him at ease and explained everything well throughout. Diagnosed and organised treatment efficiently. Lovely clinical manner. Great experience.

Comments: Due to car breakdown and having to arrange lift I was 6 mins late, so nurse said she wouldn't have time to do blood pressure or pulse. Wouldn't mind but usually have to wait 10 mins after appt time before being called in. I had tried to ring practice to say I might be late but after waiting ages for recorded message to go through the spiel I was told I was 8th in the queue so didn't get through.
