Very Good	221
Good	17
Neither Good nor Poor	5
Poor	3
Very Poor	6
Don't know	0
Total comments	252

Comments: I feel like my hormone issue and symptoms was not taken seriously.

Comments: Both doctor and student kept me calm and was very gentle, lovely pair, very talkative and nice, was offered privacy and a pad afterwards, which was very attentive of them both

Comments: Have found all my interactions with the nhs since moving into the area have been very good. Appointments occur in an efficient way. They are on time and staff act in a kind and professional manner. Staff are interested in my condition and look to find ways to help me. This is not how things were in the area that I came from. So thank you!

Comments: Nurse running late, felt rushed, was trying to explain I had been to A&E earlier that week with pain in my private area (thought best to say seen as having my smear) but nurse rather rush me saying I'm aware we are chatting when we could be undressing also (wasn't my fault she was behind) so I was trying to explain my A&E outcome and undress. Smear was done fine, I left

Comments: Fantastic service from start to finish

Comments: Appointment was on time. The nurse was pleasant and efficient.

Comments: Very efficient and courteous nurse. Explained my results thoroughly.
