

## Hersham Surgery Quarterly Newsletter

**July 2026**

The Surgery had its CQC inspection in May, giving us the opportunity to showcase what we do well and the high standard of care we provide to our patients.

We are delighted to announce that we have been awarded an overall rating of **Good**.

We warmly invite all of our patients to read our latest CQC report. We would also like to extend our sincere thanks to everyone who took the time to provide feedback during the inspection. Your support and kind comments are greatly appreciated and play an important role in helping us continue to deliver high-quality care.

We are pleased to announce that both **Dr Patel** and **Dr Casagrande** have successfully passed their General Practitioner exams and will now be moving on from Hersham Surgery.

We are delighted that both doctors have expressed an interest in returning to the practice for locum shifts in the future, and we look forward to welcoming them back.

We would like to thank them for all their hard work and dedication during their time with us and wish them every success and happiness in the next stage of their careers.

### Summer Holiday Travel? Book Your Travel Vaccination Appointment Early

Please remember to book your appointment with our Travel Nurse as early as possible.

This is to ensure you have enough time for any required vaccinations and for your immunity to develop, we recommend booking your travel appointment **at least 6–8 weeks before your departure date**.

The surgery has been working closely with **Voices of Hope**, the charity now managing the Day Centre.

We are delighted that they have agreed for us to continue using the Day Centre for appointments with our DWP Adviser and for our Patient Participation Group (PPG) meetings.

Representatives from Voices of Hope recently attended one of our PPG meetings, where they explained their commitment to working with the local community and shared their plans to enhance the services available at the Day Centre.

We are excited to work alongside them in the future and would like to extend a warm welcome to Voices of Hope as they become part of the Hersham community.
