

August 2025

Flu and Covid Vaccines – Support your GP Surgery !

Flu season is fast approaching. The practice will be co administering flu vaccines with Covid19 for those who are eligible.

We will also be running walk in clinics at the weekends along with the normal walk in a Whiteley Village.

The practice purchases vaccines in advance, so we kindly ask that you book your vaccines with us if possible

It's time to get Winter Ready!

How many requests are patients submitting?

12,813 requests submitted in **total**

108 requests submitted per day on **average**

1,285 requests submitted per **1000** patients

National average: 337

Regional average: 498

Results from the last Quarter

Duncan Hits our Screens

We were very excited to see our very own Paramedic Duncan in the new NHS give blood advert! You can view the full advert on tube or on our Big screen in the waiting room.

We are very proud of Dr Rebello who completed the Manchester Marathon and raised a Whooping £800 for the Princess Alice Hospice, a charity close to his heart as our Palliative Care Lead

Our Patient Participation group continue to meet regularly. Minutes from the our meetings are uploaded to the website

Follow us on Facebook for daily updates

The Practice will be closed on Monday the 25th August for the summer bank holiday, we will open again as normal on Tuesday 26th August.
