

Are there children with neurodiverse needs in your family?

-  We're running **FREE** drop-in sessions to offer help and advice
-  You don't need to have a diagnosis to attend
-  Get information on health, wellbeing, education and care and more
-  Come along and chat to professionals, charities and local groups and meet other families too.

Sessions run across the county, find your nearest at www.durhamsendiass.info/dropinsessions or scan the QR code
