

# Information on registering for maternity care with Surrey and Sussex Healthcare NHS Trust

To register for maternity care with Surrey and Sussex Healthcare NHS Trust, **all women and birthing people must complete the online self-referral form** available on our website. This is the only accepted referral method.

The form can be accessed via the link below or by scanning the QR code:

🔗 <https://www.surreyandsussex.nhs.uk/our-services/womens-services/maternity-services/early-pregnancy/self-referral-maternity-form>

**Please note that the service do not accept emailed referrals from GP practices.**

If English is not the individual's first language, the website's accessibility tool can be used to automatically translate the form into a preferred language.

Thank you for helping us ensure that pregnant women and birthing people receive prompt access to appropriate maternity care.
