

Book an Appointment Using the NHS App

How to book

- **1** **Log in**
Log in to the NHS App.
- **2** **Appointments**
Tap **Appointments**.
- **3** **Book**
Tap **Book an Appointment**.
- **4** **Book**
Tap **Ask About a Health Problem**.
- **5** **Continue**
If a pop-up appears, tap **Continue**.
- **6** **Complete form**
Answer the questions and submit.

**Don't select
"Check for available
GP appointments"**

This option does not
show appointments.

What happens next?

We review your request
the same way as phone
or in-person requests.

If you need an appointment
at the practice, we'll:

- send you a **booking link**
(valid for 7 days)

You can choose an appointment time
that is convenient to you, at a time
convenient

Or we may phone you
to arrange.

Please speak to a member of the practice team if you would like help
completing the forms or NHS App.
