Dear Patient,

Ref: PRACTICE CHANGES – Dr P Horwood leaving the practice

We are writing to inform you that Dr Patrick Horwood will be leaving the practice on 23rd December. We would like to take this opportunity to thank him for his dedication and care over the past 6 months and wish him a happy and fulfilling future.

We want to reassure you that there will be no interruption to your care over the Christmas period. The practice will continue to operate as usual, and our team will be available to support you with any medical needs.

We are delighted to welcome Dr Helena Sandford, who will be joining the practice from 5th January. She is an experienced GP who grew up in Maidstone and has recently relocated back to Kent after several years practicing in London. Please note that her working days will be Monday, Tuesday, and Thursday, which are slightly different from your current GP's schedule.

We are confident that Dr Sandford will provide excellent care and look forward to introducing her to our patients. If you have any questions please contact our Patient Liaison Lead, Zoe Martin via kmicb.motefeedback@nhs.net

Thank you for your understanding and continued trust in our practice.

Kind regards,

Michelle Tarrant, Practice Manager
