

## **ADVICE FOR PATIENTS ON WEIGHT LOSS MEDICATION**

### **SURGERY NOTICE**

This practice does not confirm, verify, or comment on patient declarations made to third-party providers, including statements relating to eligibility for weight-loss medications.

Clinical responsibility for assessment, verification, and prescribing rests with the external provider.

With patient consent, access to medical records is available via the NHS App.

The practice will not review records or notify providers of potential discrepancies.

No further action will be taken.
