

## What are Non-NHS Services?

Some services requested from the practice are not covered by the NHS. These are called Non-NHS (Private) Services and a fee applies.

Examples include:

- Private letters (e.g. school, housing, employer requests)
- Insurance claim forms or reports
- Holiday cancellation forms
- Firearms or driving medical reports
- Private medical examinations
- Certain certificates not covered by the NHS

## Why is there a charge?

GPs are contracted to provide NHS medical care. Work outside this contract takes additional clinical and administrative time. Fees are charged to cover:

- GP or nurse time
- Medical record review
- Administrative processing

Non-NHS work is completed alongside NHS duties and may take up to 28 working days.
