Dapdune House Surgery – Patient Information Leaflet

Under our contract, we undertake to provide services to registered patients which include:

- Routine general medical care, including diagnosis, treatment and referral where needed.
- Preventative services, health promotion and screening in line with national guidance.
- Out-of-hours care arrangements (either direct or via a provider) as required under the contract.
- Access to care via telephone, face-to-face or online consultation as arranged by the practice.
- Services in accordance with the national contract specification for 2025/26.

We will tell you about any additional services we provide beyond the core contract (e.g., enhanced services, specialist clinics).

If we decide to remove or change a service, we will notify you in advance where possible and publish the change. Note that the practice premises has suitable access for wheelchair users.

3. Register as a patient

- **If you are in the area for less than 3 months**

If you are staying in the area for less than 3 months, you may be able to register as a temporary patient. Contact the surgery to find out if you can register.

- **Before you fill in the form**

- **Find your NHS Number**

The registration form will ask you for your NHS number, which consists of 10 digits. You can find it on a prescription, an appointment letter, or using the <https://www.nhs.uk/nhs-services/online-services/find-nhs-number/>

- **Ensure you have enough medication**

You should ensure you have at least one month's supply of your medication. It can take around a month to transfer your records from your old GP practice. During this time, you may not be able to renew your prescriptions.

- **Using an online form**

You can check if you're eligible and register using an online form.

The registration process takes around 15 minutes to complete. <https://gp-registration.nhs.uk/H81029/gpreregistration/landing>

- **Using a paper form**

You can join the practice by filling in a paper form.

You can either:

- download and print <https://gp-registration.nhs.uk/PRF1.pdf>
- get a paper copy from the surgery

When you have completed the form, please drop it off at reception.

It's helpful if you bring or include a copy of your ID. This could be:

- passport
- birth certificate
- HC2 certificate
