Minutes:

All agree on last meeting minutes

- All agree on the last minute actions

Katie Ford Patient experience

- One of the surgery patients was invited to the meeting to discuss a rare breast cancer that they have
- Katie spoke about her history with the Lobular breast cancer
- Feels there is not enough information known to the public about this particular cancer – Lobular cancer
- Katie is actively campaigning and has requested some help with this
- <https://www.lobularmoonshot.org/>
- <https://lobularbreastcancer.org.uk/lobular-moonshot-fundraiser-launched/>
- Charlie asked what the surgery and PPG can do to help and all agreed that the surgery would help to advertise the campaign through posters and anything else we can do to help
- It was felt that the surgery facebook page could be used and a video idea would be discussed with Katie involved
- Katie was invited back to update the group in 6 months' time

Action: JK and CK to contact their contact with regards to helping with the campaign from a TV point of view

Action: CC and Katie to discuss making a social media video

Community ideas – Jan to feedback

- JK had a meeting with Dr Sahathevan to discuss community clinic ideas
- BP was discussed
- ?outcome (CHARLIE please add)

Air products update

- John is at a meeting this morning to discuss the Air products site
- John will feedback to the group of the outcome
- It was discussed in the group on ideas we can do to help the surgery's case into having a surgery at the Air Products site
- It was agreed to hear back from JJ before moving forward
- An idea was to hold an anonymous survey from each patient that attends the surgery - how they travelled to the surgery for that days appointment
- The group felt strongly that the PPG would be heavily involved

Open discussion ideas and feedback

- The group felt strongly that they prefer the format of open discussions rather than rigid agenda points
