Tuesday 2nd April 2025**

Present: Clive Husselbury (CH) Susan Goundry (SG)		Patient Representative (Chair) Practice Manager	Action
1	Next PPG Meeting This will be in late May, probably Tuesday 27 th May – Confirmed date to follow. Please see separate email circulated 3 rd March ref our next meeting - Thanks		All All
2	Dr Mohan Kanag Dr Kanag (GP Partner) is taking sabbatical leave of absence for 3 months – July, August & September 2025, returning early October. <i>I'm sure you would all like to join me in wishing him a well-earned, very relaxing time, and we look forward to him returning refreshed and full of his usual energy, enthusiasm and warmth.</i>		- - SG – Please pass to MK
3	Parking System We are 1 month into the 6-month trial. The key result is that it is working very well indeed for patients with much positive feedback, which was the whole reason for its introduction.		-
4	Patient Survey It is still planned to repeat the online survey. CH offered to assist Jamie with this.		SG/CH
5	CQC Inspection Current estimate for this is late Summer 2025.		-
6	N-Tidal Diagnose Machine This is a new piece of equipment available to GP surgeries that will provide rapid testing for Respiratory issues: https://tidalsense.com/n-tidal-diagnose/ CH has asked if/when COFP will have this.		SG
